

The Glenview Spirit

March Was A Busy Month!

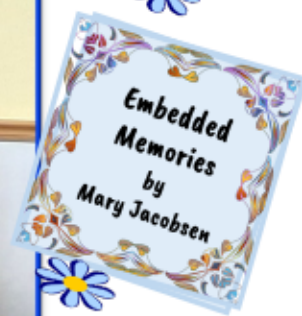

March was a busy month at Glenview. In addition to St. Patrick's Day, March had a couple of special events.

First, Mary Jacobsen, author of the book, "Embedded Memories", did a presentation for us, in which she shared stories of her life in various countries around the world. She also showed us some of the items that stories in the book were based upon, including a samovar from Russia, a sculpted head from Africa, and two porcelain birds from France. We were pleased to have Mary share stories of her life with us, and we asked many questions.

In addition, while for basketball fans March is a month of non-stop action, for us it is the month of the Glenview Ice-Cream Challenge! Instead of basketball brackets, we have ice cream brackets, and sample and vote on our favorites continuing to narrow down the field until Friday when a winner is determined.

It's a tough job, but someone's got to do it, so we grab our spoons and dig in for the greater cause! This year we are pleased to announce that our tenant and staff 2024 Glenview Ice Cream Challenge winner is: HUCKLEBERRY!

What a delicious and fun way to liven the end of winter and start Spring.

Bright Yellow Daffodils
Dancing in the Sun,
Happy Yellow Daffodils,
Singing, "April's Compl"
